The Autism Society of Alabama and The Learning Tree have partnered to establish an exciting new running event to raise autism awareness and funds to support programming across the state.

Join us for the **Puzzle Piece Dash** and help solve the puzzle of autism spectrum disorders and at the same time support a leader in services for children with developmental disabilities, including autism.

Autism is the fastest growing developmental disability in the country, affecting as many as **50,000** children in Alabama. **1 in 88 children** is diagnosed with autism spectrum disorders.

**LET'S PICK UP THE PACE AND HELP SOLVE THIS PUZZLE!**
