

Servis1st Bank First Light Marathon Relay Roster
Presented by Mobile Sports Authority
January 14, 2018

NOW USING CHIP TIMING FOR MARATHON, HALF MARATHON AND RELAY RUNNERS

The Servis1st Bank First Light Marathon relay division will compete Sunday, January 14, 2018. Each team will consist of five persons with four members running/walking 5 miles and the last member running/walking 6.2 miles. Team competition will be encouraged with awards in the following divisions: Open, Masters, Grand Masters, Senior Grand Masters, Organization, High school, Race-walker and Grade school. Each division will feature all male, all female and coed categories (Coed teams must have at least one male and one female participant.) The Race-walker and Grade school divisions will have only one category: can be all female, all male or coed. This will be a great time to get five people together, select a captain, challenge others in your division, and have a great time while supporting Mobile's only marathon.

Team captains will receive packets with relay instruction sheets, wristband and 2 bib numbers for each team member. Each team member will wear one bib on their front and one on their back to allow for team /division identification throughout the marathon. Team members will be responsible for getting to the appropriate transition area (5, 10, 15, and 20 mile marks) and getting back to the finish line. Team members should check in with a relay marshal when they arrive in their transition area. Each team will be given a wristband that will be worn initially by the first leg runner. The wristband will be passed to the next participant at the appropriate relay station. All relay stations will be monitored by a course marshal to ensure the fair exchange of the wristband. Relay bib numbers will be different in color from the other events so relay participants approaching the transition area can be identified by the awaiting team members. If the team wristband is not worn by a runner, the team could be disqualified. If your team does not turn in a wristband at the finish, your team could be disqualified. **Only the last member from each team, wearing the bib with the CHIP, will cross the finish line for scoring purposes.** The person crossing the finish line will receive 5 finisher medallions.

Team entries will require a completed team roster, completed and signed individual race applications, and the team entry fee. Changes in team rosters may be made at Packet Pick-up on Saturday, January 9th, prior to obtaining the team race packets. Any new team member MUST provide a completed individual application and be present to sign the waiver, otherwise, the team entry will NOT be changed.

Course support will be the same as for the marathon. All participants receive a t-shirt and an invitation to the post-race meal.

Race-day team registration or team category changes will NOT be allowed.

Individual team members must also complete a FLM Race Application form.
